Statement

Swanbourne House School recognises that bullying, both physical, emotional and psychological has a very serious impact on the lives of children in the present and in their long term future development. Bullying, victimisation and discrimination will not be tolerated. The SHS community is based upon respect, good manners and tolerance in a safe and caring environment, free from disruption and harassment. Pupils, parents and carers are treated fairly and with consideration.

INDICATIONS OF BULLYING

Changes in behaviour that may indicate that a pupil is being bullied include:

- unwillingness to attend school;
- displays of excessive anxiety, becoming withdrawn or unusually quiet;
- failure to produce work, or producing unusually bad work, or work that appears to have been copied, interfered with or spoilt by others;
- equipment, bags and other belongings being damaged or going missing;
- a change in established habits;
- diminished levels of self-confidence;
- frequent visits to the Surgery with minor ailments;
- unexplained cuts and bruises;
- frequent absence or lateness;
- choosing the company of adults;
- displaying repressed body language and poor eye contact;
- difficulty in sleeping, experiences nightmares;
- talking of self-harming, suicide or running away;
- avoidance of (or obsession with) technology;
- the potential for children with SEN and disabilities being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs.

This list is by no means exhaustive. Although there may be other causes for some of the above symptoms, a repetition of, or a combination of these possible indications of bullying should be investigated by staff and parents as a matter of urgency.

PREVENTATIVE MEASURES

- New staff are given guidance on the school's anti-bullying policy and how to react to allegations of bullying. They are required to read the school's policy as part of their induction;
- All staff are kept aware through regular inset training and staff meetings, of the principles of the school policy, their legal responsibilities, actions which are designed to resolve and prevent problems, and sources of support which are available
- Issues of bullying and the development of pupil's anti-bullying values, and social responsibilities are reinforced in Assemblies, and PHSE, English, Drama and RS lessons; to counter cyber-bullying pupils are taught safe and responsible use of communication technologies (refer to Safeguarding Policy – Appendix 2: Guidance on Pupil and Staff use of ICT, Mobile Phones and Other Electronic Devices) in the online safety strand of ICT and PSHE lessons;
- All our pupils are encouraged through tutorials and PSHE lessons to tell a member of staff at once if they know or suspect bullying including cyber-bullying to be taking place;
- The Anti-bullying policy is available on the school website and parent handbooks outline the school's approach;
- A strong and experienced pastoral team of Class Teachers in the Lower School and Form and Personal Tutors, Heads of Year, and House Master/Mistresses support the Assistant Head and Director of Pastoral Care in the Middle and Upper School. They are trained in handling any incidents as an immediate priority, and are alert to possible signs of bullying;

- Each form room displays the Bullying Charter;
- The pastoral team gives support and guidance to other staff on handling and reporting incidents of bullying behaviour;
- Individual pupil pastoral profiles are discussed at weekly Lower, Middle, Upper and whole staff meetings;
- All pupils have access to a telephone helpline, at an age appropriate stage in the Main House enabling them to call for support in private.
- We provide leadership and team-building training to all our Top Year pupils which covers the importance of offering support and assistance to younger and to vulnerable pupils.
- We receive feedback from parents and guardians on the well-being of their children.
- A regular Questionnaire in the Main House is a valuable source of pupil feedback on areas of concern.

Boarding

- In the Boarding houses, there is a strong team of tutors supporting the House Master/Mistress, who act in loco parentis. The informal house environment is important in reinforcing a pupil's standards and values, providing the opportunity for friendly, informal discussion of matters of concern to the individual pupil outside the formal classroom. We encourage close contact between the House Master/Mistress and parents/guardians, and would always make contact if we were worried about a pupil's well-being.
- All boarders and their parents are made aware of the contents of the school's anti-bullying policy and are aware that they can download copies from the school's website. All boarders know how to report anxieties to their House Master/Mistress or to another member of the pastoral team.
- Use of mobile phones and other electronic devices is carefully monitored and controlled (see Boarding Handbook)
- Our Sick Bay and the Boarding house display advice on where pupils can seek help, including details of confidential help lines and web sites connecting to external specialists, such as Childline, Kidscape, Get Connected, Samaritans etc.

REPORTED BULLYING PROCEDURE

If an incident of suspected bullying is reported, the following procedures are adopted:

- all behaviour that could be construed as bullying will be logged by the Assistant Head or Director of Pastoral Care, and will be discussed with the DSL: all bullying behaviour should be viewed as a Safeguarding concern. ["All staff should be aware that safeguarding issues can manifest themselves via peer on peer abuse" (KCSiE – Sept 2020)].
- the member of staff to whom it was reported or who discovers the situation, will control the situation, reassure and support the pupils involved;
- he/she will inform an appropriate member of the pastoral team as soon as possible;
- all participants and witnesses, if appropriate, will be interviewed individually and may be asked to write an account of events (the Assistant Head or Director of Pastoral Care will conduct the interviews dependent on the seriousness of the incident);
- interviews and statements will be recorded so that the school is able to monitor the effectiveness of our approach, to enable patterns to be identified and suitable actions to be taken to reduce the incidence of bullying
- the Assistant Head or Director of Pastoral Care will, in consultation with other senior staff, make judgement as to whether the behaviour constitutes bullying and the appropriate disciplinary course of action;
- sanctions may be appropriate and will be decided upon (refer Behaviour, Discipline and Sanctions Policy);
- parents will be informed and invited for discussion with the Assistant Head or Director of Pastoral Care dependent on the outcome of the investigation;
- form tutors, boarding and senior members of staff will be informed as appropriate;
- support and counselling will be put in place for both the victim and perpetrators of bullying behaviour;
- monitoring and review will be ongoing through pastoral meetings and further interviews with pupils and parents, if appropriate;

- the school may exclude a pupil in cases of severe and persistent bullying, and in the event that the support put in place does not result in the modification of behaviour to an acceptable level;
- a bullying incident will be treated as a Safeguarding concern when there is reasonable cause to suspect that the child is suffering or is likely to suffer significant harm. In these cases it will be necessary to make a report to the Social Services and, where there is suspicion that a crime has been committed, to the Police.

EYFS

- Pupils are taught why some forms of behaviour are unacceptable and hurtful to others. Sanctions may be the removal from an activity, loss of free time or tagging (refer Behaviour, Discipline and Sanctions Policy).
- A child may be sent to see the Head of Lower School, who will explain the inappropriateness of a particular action.
- Parents are always informed and may be invited in for interview.
- The school may exclude a pupil in cases of severe and persistent bullying, and in the event that the support put in place does not result in the modification of behaviour to an acceptable level.

COMPLAINTS

- Parents are referred to the Complaints Policy should they feel that bullying behaviour is not being addressed appropriately.
- Parents of EYFS children may contact Ofsted directly (refer to Complaints Policy).
